There are big name heroes out there. Big shot politicians. Huge sports stars. You can take them all and shove it. This dude right here gets Most Rigeously Cool Dude of the Year award.

You'll enjoy watching the whole video because it's less than 2 minutes long and sets the scene very well.

So who's the hero? Well, at about 1:20 into the video - after the migrnts have thrown some punches, kicked some people - out of the blue comes a bystander, a stock standard civilian and takes his electric wheelchair and kamakazi rams the ring-leader. Beautiful.

You'll laugh, you'll cry (because of laughing so much).

Talk about resetting the guy's OODA loop.
