## Is this where ANTIFA started?

Categories : [Uncategorized](#)

WTF? I'm gay and you **are** going to make me a wedding cake whether you want to or not? You're a racist/sexist/bigot because I don't like you, so I'm going to **make** you change your mind?

Where does this kind of mentality come from?

Could it be that the roots of ANTIFA (et. al.) starts in childhood?
