## There is no safety

Categories : [Children](#), [Home Defense](#), [Uncategorized](#), [Women's Self Defence](#)

Tagged as : [motivation](#), [principles](#), [safetyviolence](#)

There is no such thing as safety. It is an illusion. You may be safe at any given time, or you may not. But safety, as a concept, doesn't exist.

A video everyone should watch to remind them there's no difference between you and the people who get stabbed in these videos. What [actions](#) are [you taking](#) to not get dead?

<https://youtu.be/OiQYJt9reBs?t=114>

Sitting inside your house with the doors locked and alarm switched on makes you **feel** safe. But when there are home invaders preparing to put a brick through your window and climb in after it,

## **PreDefence**

Take control of your safety. Take control of your life.

you're not safe - but you don't know when that moment is.

Take action to prepare.
